Arrival guide · Meeting your driver

Billy Bishop Toronto City Airport (YTZ)

We track your flight, so we know when you've landed. Call us when you're ready to be picked up and we'll have your car out front.

1. Collect your luggage and exit the baggage area.
2. **Call dispatch when you're ready to be picked up** and give the name on the reservation.
3. Your driver pulls up to meet you at:

   Mainland side

   Terminal front

4. Head out front and your car will be waiting.

Call when you're ready, not before. We send your driver the moment you call, so call once you have your bags and you're heading out.

Ready to be picked up? Call dispatch.

905-847-1387

Toll-free 1-800-263-8388 · Save this number before you fly

If your flight changes

Delays and early landings are handled automatically. If your flight is cancelled, rebooked, or you miss a connection, call us with your new flight number.

Why can't my driver wait out front?

Parking and standing at the Billy Bishop terminal is tightly restricted. Sending your driver when you call means less waiting for you and no circling for them.
