Arrival guide · Meeting your driver

Toronto Pearson International Airport (YYZ)

We track your flight, so your car will already be waiting in the airport's limousine compound. Follow these three steps and it'll be at the door in minutes.

1. Clear customs and collect your luggage.

2. Go to your door on the **Arrivals level**:

Terminal 1	Terminal 3
Door A	**Door A, Post 7**

3. Give the **commissionaire** (the attendant in a blue uniform at the door) the name on the reservation and let them know you're booked with M&M Limousine. They'll call your driver forward, and your car will pull up within a few minutes.

Skip the wait. Once you have your luggage, call us as you walk to the door. We'll have your car moving before you get there.
